Hydrobiologia

Contents of Volume 183, 1989

Vol. 183, No. 1

S. M. Barbieri & M. J. L. G. Orlandi: Ecological studies on the planktonic protozoa of a eutrophic reservoir (Rio Grande Reservoir – Brazil) 1
M. del Pilar Gracia, C. Castellon, J. Igual & R. Sunyer: Ciliated protozoan communities in a fluvial ecosystem 11
T. Krogstad & Ø. Løvstad: Erosion, phosphorus and phytoplankton response in rivers of South-Eastern Norway 33
E. C. de Yuan & C. P. de Hassan: Ichthyological studies in La Cuarentena Lagoon (Carabajal Island), Paraná River: density of *Prochilodus platensis* Holmberg (Curimatidae) 43
R. Fricke: New species and new records of *Callionymus* from the Pacific Ocean (Teleostei: Callionymidae) 47
C. J. Williams: Downstream drift of the larvae of Chironomidae (Diptera) in the River Chew, S. W. England 59
J. A. Thornton & P. J. Ashton: Aspects of the phosphorus cycle in Hartbeespoort Dam (South Africa): phosphorus loading and seasonal distribution of phosphorus in the reservoir 73

Vol. 183, No. 2

J. A. Thornton: Aspects of the phosphorus cycle in Hartbeespoort Dam (South Africa): phosphorus kinetics 87
L. Aleya & C. Amblard: Importance quantitative de différentes classes de taille phytoplanctoniques en milieu lacustre eutrophe 97
S. L. Armstrong: The behavior in flow of the morphologically variable seaweed *Hedophyllum sessile* (C. Ag.) Setchell 115
G. Citarella: Les copépodes du détroit de Northumberland: distribution et potentiel producteur 123
T. A. Crowl: Effects of crayfish size, orientation, and movement on the reactive distance of large-mouth bass foraging in clear and turbid water 133
E. C. Webber, D. R. Bayne & W. C. Seesock: Macroinvertebrate communities in Wheeler Reservoir (Alabama) tributaries after prolonged exposure to DDT contamination 141
J. Adams, P. J. Watt, C. J. Naylor & P. J. Greenwood: Loading constraints, body size and mating preference in *Gammarus* species 157
B. Bērziņš & B. Pejler: Rotifer occurrence in relation to oxygen content 165
B. A. Stewart & B. R. Davies: The influence of different litter bag designs on the breakdown of leaf material in a small mountain stream 173

Vol. 183, No. 3

J. Hammerly, M. Leguizamon, M. A. Maine, D. Schiver & M. J. Pizarro: Decomposition rate of plant material in the Paraná Medio River (Argentina) 179
H. Kagawa & M. Togashi: Contribution of dissolved calcium and magnesium to phytoplanktonic particulate phosphorus concentration at the heads of two river reservoirs 185
D. Guiral, R. Arfi & J.P. Torréton: Mécanismes et incidences écologiques de l'homogénéisation annuelle de densité dans un milieu eutrophe stratifié 195
J. E. Eriksson, J. A. O. Meriluoto & T. Lindholm: Accumulation of a peptide toxin from the cyanobacterium *Oscillatoria agardhii* in the freshwater mussel *Anadonta cygnea* 211
L. J. Larson: Effect of phenolic acids on growth of Chlorella pyrenoidosa 217
K. Soetaert & W. Decraemer: Eight new *Tricoma* species (Nematoda, Desmoscolecidae) from a deep-sea transect off Calvi (Corsica, Mediterranean) 223

Author index, Vol. 183, 1989

Adams, J., 157
Aleya, L., 97
Amblard, C., 97
Arfi, R., 195
Armstrong, S. L., 115
Ashton, P. J., 73
Barbieri, S. M., 1
Bayne, D. R., 141
Berziņš, B., 165
Castellon, C., 11
Citarella, G., 123
Crowl, T. A., 133
Davies, B. R., 173
Decraemer, W., 223
de Hassan, C. P., 43
del Pilar Gracia, M., 11
de Yuan, E. C., 43
Eriksson, J. E., 211
Fricke, R., 47
Greenwood, P. J., 157
Guiral, D., 195
Hammerly, J., 179
Igual, J., 11
Kagawa, H., 185
Krogstad, T., 33
Larson, L.J., 217
Leguizamon, M., 179
Lindholm, T., 211
Løvstad, Ø., 33
Maine, M. A., 179
